2018/19 Funding:-	£18,590 – funds expected for the year (to be spent across the whole school – Years R – 6)
--------------------------	--

Background

From September 2013, the School received a grant to be spent on sport both within and beyond the School day. In September 2017 this funding was doubled; the formula remained the same but with a base grant of £16,000 per school and £10 per child excluding Reception. The doubling of the funding formula was aimed to help schools continue to use physical education, sport and physical activity as a tool to improve educational attainment, emotional and physical health and well-being.
