

Jotmans Hall Primary School

Pupil Premium 2022-23

The School receives funding to help all children who are entitled to receive means tested Free School Meals or who are Looked After by the Local Authority. This funding is called Pupil Premium and will be used to help children to make good progress in School.

Inside this leaflet you will see how we plan to use this money to support individual children and groups of children. We will look at each child and consider which initiatives will help them as an individual.

Our aim is to support families in a variety of ways - these vary each year according to the needs of families.

We hope that you will be very pleased with the range of support available and that your child will benefit from this initiative.

Support within the School Curriculum

- Children in Year 6 will be targeted for 1 : 1 tuition
- Children will be given extra reading support in class by staff or parent helpers.
- Children's progress will be closely monitored by their Class Teacher and Senior Staff.
- Children will be targeted for any special groups.
- Children's attendance will be closely monitored by Senior Staff and any problems will be discussed with Parents/Carers.

The School will prioritise children and their families to see if the support of any Wellbeing Service would be useful to them.
