

SCHOOL DAY

Morning Registers

At 8:45 a.m. children enter the premises via both gates and go straight into class. Registration is completed at 8:55 a.m.

School Assemblies

Assemblies are held daily, from 10:15 until 10:30 a.m. Timings can alter for special assemblies and/or visitors.

Assemblies are based on a theme each week. These cover a variety of events such as; major festivals of different religions; national events such as E-Safety week; national charity events and general interest and information. Praise assemblies celebrate the children's achievements in and out of school. Learning Assemblies allow the children to report back to the whole school something they have recently learnt in class.
