5<sup>th</sup> April 2019

Dear Parents/ Carers

As you know our new payment system, eSchools, is starting after Easter. Hopefully you have all received your log-ins and have had a go at using them.

Part of this development means that how your child will order their meal at lunchtime is changing. There will no longer be a need to pre-order meals at the start of each week.

When the class teachers take their register in the morning your child will be asked to say what they want for lunch. This will then be logged and an accurate order for each day will be sent to the kitchen. To begin with and to simplify this we are going to run the same menu each week for the first half-term. You and your child will know exactly what is on the menu each day, which will inevitably make things easier to remember and order. Special requirements will, of course, still be catered for.

Attached to this letter is our new menu for Summer 2019. Please can you discuss the different options with your child so they know what they would like each day? The menu can also be found on our website.

Yours faithfully,

Ms. S. Warnes

Headteacher
