

School Sports Initiative Plans – 2016-17 Final (Draft)

Reporting period – 1st September 2016 – 31st August 2017

This report shows how Jotmans Hall Primary School plans to use the School Sports Initiative funding for 2016/17.

2016/17 Funding:-	£9,270 – funds expected for the year (to be spent across the whole school – Years R – 6) £4,153 – additional funding from the School Budget will be added to the School Sports funding to ensure that all the initiatives can run.*
--------------------------	--

Impact Tracking

The main initiative in respect of the School Sports Premium was the continuing employment of a sports apprentice for 30 hours each week, which was fully paid for from this funding stream. She supported the specialist sports teacher, ran before school, lunchtime and after school clubs and assisted in PE lessons across the school. This has also included working within the new Foundation Stage unit leading physical activities with all pupils on a daily basis and in particular targeting pupils selected by the teacher with poor motor skills. The pupils have gained a huge amount from these regular sessions and it has been a highly successful initiative.

The range of clubs before school, at lunchtimes and after school increased, offering opportunities to all year groups – including Reception. Almost every pupil benefitted from the clubs and a large number of pupils attended more than one club.

Pupils took part in a very wide range of sporting leagues and competitions, including football, netball, athletics, swimming and dance.

Class teachers benefitted from expert training from a teacher with advanced skills in sports, who also covered PE lessons for some class teachers during the year.

Background

From September 2013, the School received a grant to be spent on sport both within and beyond the School day. We will use the funding in the following way:-

Initiatives and Costs 2016/17:-

<u>Initiative</u>	<u>Cost</u>	<u>Impact</u>
